ST. PAUL, June 22.—Judge Bunn, in the District Court, has filed his memorandum in the case of Uri L. Lamprey against the St. Paul & Chicago Railway Company, Farmers' Loan and Trust Company and Russell Sage. The suit is for 100,000 acres of land in Otter Tail.

is for 100,000 acres of land in Otter Tall and other counties.

The court says: "I think plaintiff is entitled to a deed of the lands in controversy upon paying the defendant the amount due upon the contracts on the day the tenders were made. If defendant refuses to accept such amount and to deliver the necessary deed, then the plaintiff may pay into court and the payment to be entered will stand in lieu of; such deed."
